Financial Aid Authorization

Dear Student:

The Department of Education's rules regulate how the University may apply your financial aid to your student account. A student's aid may pay **allowable charges only**. These are limited to current tuition, mandatory fees and University contracted room and board charges. By signing the authorization form below you are stating that you wish for your financial aid to be applied to **ALL** of your charges. These charges may include books, insurance, fines, etc.

You are not required to sign this authorization form and if you do sign it you may cancel it at any time. The Secretary of Education considers a signed authorization to remain in effect for future years unless you notify us in writing to cancel your authorization.

I authorize Coastal Carolina University to apply my financial aid to cover payment of current, future, or past due tuition, room and board, fees, and other charges, such as books, insurance and fines. I understand that any charges I incur after my financial aid is distributed to me are my responsibility to pay.
