

Self Reflection

Guiding questions

Reflection is an important part of any learning process. Review the following questions and answer each prompt with 2-3 sentences. Submit your answers in a word document to <http://tiny.cc/CCUConduct>.

Personal Impacts.

What has been the biggest impact of this process on you, personally?

Family/Support Impacts.

What are some ways you could share what you have learned with your family or support system?

Introspection.

What, if anything, would you have done differently in the moment?

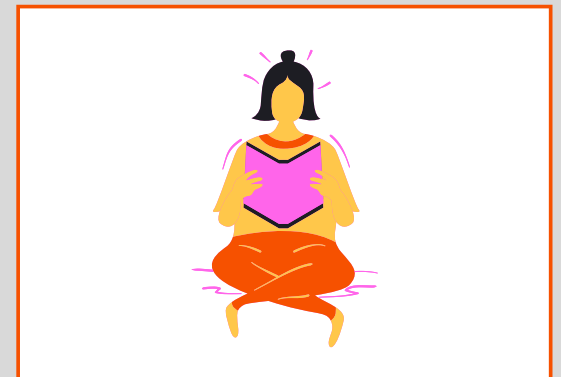

Academic Performance.

How did this incident impact your ability to be a student?

Community & Citizenship.

How did your peers influence your decision-making?

Final Thoughts.

What is one thing you would change about this entire process?
