

How to Login to University Recreation's Member Portal

1.) Go to recreation.coastal.edu. In the upper-right hand corner, select **Log In**

2.) Choose **CCU Login**. Enter your CCU credentials just as if you were logging into Moodle or another CCU program.

3.) Using CCU Login will take you to a login page similar to signing into Moodle or any other CCU program. Follow the prompts as you normally would and you will be signed into URec's Member Portal!
