GENERAL REGULATIONS

Regulations are in effect 24/7 unless otherwise stated.

1. All vehicles, including motorcycles, mopeds, and motor scooters must be registered with the University. Vehicles must have a current parking decal permanently affixed to the vehicle. The operators of registered motorcycles, mopeds, motor scooters, and bicycles must permanently affix the decal to the front of the vehicle, preferably on the forks.
2. Having a parking decal does not guarantee students or faculty/staff a place to park on campus.
3. Parking is prohibited within 15 feet of a fire hydrant; in fire lanes, intersections, driveways, or alleyways; on sidewalks, walkways, grass, or lawns; or where otherwise indicated by signs or delineated with traffic cones. At no time should service areas, driveways, or trash pickup areas be blocked.
4. Parking decals are nontransferable.
5. Faculty, staff, and students must inform the University of any change in address, vehicle registration, or vehicle immediately.
6. Students are not permitted to park in Faculty/Staff nor VISITOR parking spaces between 8 a.m. and 4:30 p.m. Monday through Friday. Students may park in these spaces between the hours of 4:30 p.m. and 8 a.m. and on Saturday and Sunday. 24-hour Faculty/Staff, Service Parking Only, or Maintenance Only parking spaces, as indicated by signs and/or pavement markings, must be observed at all times.
7. The vehicle operator will obey all official traffic signs unless otherwise directed by an officer. Drivers and passengers of motor vehicles are also responsible for knowing and obeying South Carolina motor vehicle laws.
8. The vehicle operator is responsible for locating a legal parking space. A vehicle must be parked in one space only, thereby allowing clear access to adjacent spaces without blocking driving lanes or creating safety problems for other drivers.
9. No vehicle operator may stop the vehicle in a lane of traffic for the purpose of waiting for a parking space to be vacated.
10. Vehicles parking parallel to the curb must park in a marked parking spot, in the same direction as the flow of traffic, and no more than 18 inches from the curb.
11. Red or yellow curbs, and red or yellow lines indicate "no parking" zones.
12. No individual will, without lawful authority, attempt to or alter, deface, injure, knock down, or remove any official traffic sign or device, or any inscription, shield, or insignia.
13. Issued parking citation(s) are placed under the windshield wiper of the vehicle or placed between the motorcycle brake lines on the handlebar. Failure to receive an issued parking citation does not mean the parking citation was not issued.
14. Parking in a gated lot without proper credentials for access will result in a ticket and/or the vehicle being towed. Tailgating other vehicles into gated lots is prohibited.
15. Coastal Carolina University shall assume no responsibility for the care and/or protection of any vehicle or its contents at any time while it is operated or parked on campus. Valuables should not be left in unoccupied vehicles at any time, and vehicles should be locked when not in use. Thefts or damages that occur should be reported to DPS at 843-349-2177 for investigation.

PARKING CITATION APPEALS

The appeals process allows a person who has received a Coastal Carolina University parking citation to appeal that citation. The appeal must be submitted within 72 hours of the time the citation was written, excluding official school holidays and weekends. Appeals may be submitted online at coastal.edu/safety.

Any citation may be appealed on the premise that the citation was not consistent with University parking regulations or that there are particular extenuating circumstances. All appeals will go to the traffic citation appeals board. The fine for any citation entered into the appeals process within 72 hours does not need to be paid until the appeal has been decided. The appeals will be reviewed by the board once per week, and one of three actions will be taken:

UPHELD

The citation has been upheld as written, and full payment is due.

REDUCED

The board agreed that there was a violation, but due to mitigating circumstances presented in the appeal, the amount of the fine has been reduced. The reduced amount of the fine is now due.

WAIVED

The appeal was approved by the board, and the fine has been dismissed.

ALL TRAFFIC CITATION APPEALS BOARD DECISIONS ARE FINAL.

CAMPUS SPEED LIMIT

The speed limit in all parking lots and roadways on campus is 15 miles per hour unless otherwise posted, except on Chanticleer Drive, where the speed limit is 20 miles per hour, and on University Boulevard, where the speed limit is 30 miles per hour. The vehicle operator is expected to operate the vehicle in a safe manner and in consideration of road and weather conditions.

SPECIAL EVENT PARKING

Due to special events held on campus including athletic competitions, concerts, commencement, etc., parking lots may become temporarily restricted or closed. Emails and other communications will announce when the restrictions will be in effect.

VEHICLE BREAKDOWNS

In the event a vehicle breaks down or runs out of gasoline while on campus, all reasonable steps should be taken to move the vehicle from the street or other hazardous positions to a parking space. In the event the vehicle must be parked illegally to await repairs or gasoline, DPS should be notified immediately at 843-349-2177.
